## Coconut Beverage Products

King Coconut Water

## ORGANIC COCONUT OIL PRODUCTS

Our coconut Oil is derived from the fresh meat or kernel of a mature fruit coconut. Coconut milk is extracted from fresh coconut meat by cold pressing under 60 degrees celcius. The oil is then extracted from coconut milk by way of boiling, fermentation, refrigeration, enzymes, or mechanical centrifuge. Organic Coconut oil is often described as the “healthiest oil” and one of the most beneficial natural products in Sri Lanka.

## ORGANIC VIRGIN COCONUT OIL

Our Organic Virgin Coconut Oil is extracted from the finest handpicked coconuts and is manufactured using a low-heat cold press extraction which preserves vital nutrients. It has a rich aroma and flavor which is distinctive to us.

Virgin coconut oil is pure and almost colorless, water-like in appearance when in the liquid state, and snow white when it is solid.

Ingredients: Organic Coconut Kernel

### Usage

- Great for cooking, frying, and baking. It's also a healthier alternative to butter.
- As a non-food application for Cosmetic, Body, and Hair products as a natural moisturizer.

### Storage and Shelf life

- Organic Virgin Oil will solidify and become cloudy below 24°C.
- 24 Months from the Date of Manufacture under recommended storage conditions.

### Packaging Options

200L (190Kg) Metal Drum	40 drums	4 drums
1000L (920Kg) IBC Tote	20 totes	1 tote

## ORGANIC EXTRA VIRGIN COCONUT OIL

Our Extra Virgin Coconut Oil is manufactured using a low-heat cold press extraction which preserves vital nutrients. This oil is then filtered using a micron filter which filters out particles as small as 0.05 microns. Extra virgin coconut oils do not have a strong roasted or smoky taste or smell.

It should be snow white when it is solid, and water clear when liquid.

Ingredients: Organic Coconut Kernel

### Usage

- Great for healthy cooking, frying, and baking. It's also a healthier alternative to butter.
- As a non-food application for Soap, Lotion & Make-Up Remover, Lip Balm, Deodorant, and other cosmetic products.

### Storage and Shelf life

- Organic Extra Virgin Oil will solidify and become cloudy below 24°C.
- 24 Months from the Date of Manufacture under recommended storage conditions.

## ORGANIC WHOLE KERNEL COCONUT OIL

Our Whole Kernel Coconut Oil is extracted from the entire kernel (White kernel + Brown Testa) and is manufactured using a cold press extraction which preserves vital nutrients. It has a delicious coconut smell and will also impart a mild coconut flavor to your cooking or baking.

It is clear light yellowish in appearance when in liquid format.

Ingredients: Organic Coconut Kernel  
with brown Testa

### Usage

- The cleanest choice for cooking, frying, and roasting.
- Great for body care too—use it to moisturize skin, deep condition hair, remove makeup, soothe sunburns & massage sore muscles.

### Storage and Shelf life

- Organic Whole Kernel Oil will solidify and become cloudy below 24°C.
- 24 Months from the Date of Manufacture under recommended storage conditions.
- Always use a dry spoon to take the product out.

## ORGANIC COCONUT KERNEL BASED PRODUCTS

Our Organic Coconut Kernel Product range includes Desiccated Coconut, Coconut Flour, and Coconut Butter which are entirely free from gluten. This product range is trending among our most repeat buyers. Because of the coconut kernel-based recipes, includes cookies, pancakes, bread, and many Asian dishes. Coconut flour has high fiber content, is almost 9 times that of wheat flour, and aids with the digestion system.

## ORGANIC DESICCATED COCONUT (MEDIUM)

Our Desiccated Coconut, is made from fresh white kernels of high-quality organic Coconut in a temperature-controlled process enabling it to retain its rich flavor and aroma. Our desiccated coconut is high in medium-chain triglyceride fats and dietary fiber.

It is easy to store and handle and contains no artificial coloring, only natural coconut scraps.

Ingredients: Coconut Kernel

### Usage

- Mostly used in the baking industry as a gluten-free vegan ingredient for cookies, cakes, pastries, and desserts.

### Storage and Shelf life

- 24 Months from the date of Manufacture under recommended storage conditions.
- Once the package is opened, it is advisable to use a clean spoon to avoid microbial contamination.

### Packaging Options

Packaging Information

500g x 12 glass jars per carton	27000 jars	2700 packs

## ORGANIC COCONUT SWEETEN PRODUCTS

Nature's Wellness Organic Sweeten Product range is a healthy alternative to regular, processed white sugar or honey. It is also preferred by diabetics and those with other high-sugar-prone diseases. These products can be eaten raw off the pack and are best for kids' meals and desserts.

Our organic coconut sugar which looks like regular brown sugar has a soft texture and carries a tropical aroma and taste. It is the best additive for sweets, bakes such as cookies, and beverages like tea.

## ORGANIC COCONUT TREACLE

Our Organic Coconut Treacle is made from the sweet sap of coconut flower blossoms. This syrup is then refined in a chemical-free process to produce this delightful light-textured syrup. Coconut Treacle perfectly complements traditional Sri Lankan curd as well as baked products. It has a Dark brown liquid appearance, like maple syrup.

Ingredients: Organic Coconut sap

### Usage

- Use as a natural sweetener or a sugar substitute for baking and sweets.
- Can directly apply it for topping on pancakes or ice creams.
- Alternative to maple syrup.

### Storage and Shelf life

- 24 Months from the date of Manufacture under recommended storage conditions.
- Store in a Cool Dry place away from Direct sunlight and other heat resources.

### Packaging Options

250g

## ORGANIC COCONUT SUGAR

Our Organic Coconut Sugar is made from the sap of Coconut Flowers by evaporating it at very low temperatures. This temperature-controlled process allows Coconut Sugar to retain its rich distinctive, caramel-like taste along with its original nutritional profile.

Light golden brown or Similar to light brown sugar.

Ingredients: Organic Coconut sap

### Usage

- The perfect substitute for butter spread for cooking, pickling & Salad dressing.
- Can use as a skin moisturizer, lip balm, rash or burn soother, and body or foot scrub.
- Special nutrition and health benefits that oil doesn't such as dietary fiber.

### Storage and Shelf life

- 24 Months from the date of Manufacture under recommended storage conditions.
- Store in a Cool Dry place away from Direct sunlight and other heat resources. Once opened refrigerate the product in a plastic food grade container and consume within 03 days.

### Packaging Options

Packaging Information		
Packing	QTY Per 20' FCL	QTY Per Pallet
300g x 20 pouches per carton	36000 packs	3600 packs

## ORGANIC COCONUT JAM

Our Organic Coconut Jam is a unique spread made by mixing desiccated coconut, Treacle, and pure coconut sugar. It's a perfect mixture for use as a spread on toast, pancakes, or between cake layers. It is 100% coconut, with no other ingredients used and has the matching caramel flavor for any baked food.

Ingredients: Desiccated Coconut,  
Coconut Treacle and Coconut Sugar

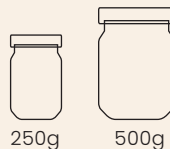

### Usage

- Use as a direct spread for toast, baked products, and fresh fruits.
- No artificial sugar or flavors added and 100% Organic coconut sap.
- High Fibre, Vegan, Gluten Free, Cholesterol Free, Non-GMO, Lactose-Free product.

### Storage and Shelf life
